

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149

PART A: General Information

Beginning in 2014, there is a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. The open enrollment period each year for health insurance coverage through the Marketplace runs from Nov. 1 through Dec. 15 of the preceding year. After the open enrollment period ends, you can get coverage through the Marketplace only if you qualify for a special enrollment period or are applying for Medicaid or the Children's Health Insurance Program (CHIP).

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year (adjusted to 9.12% for 2023), or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Lynette McEvoy at 814-695-5579 x2613.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

- As your employer, we offer a health plan to:

All employees. Eligible employees are:

-
- Some employees. Eligible employees are:

Regular full-time employees

- With respect to dependents:

-
- We do offer coverage. Eligible dependents are:

- 1) Eligible dependents as defined by Highmark Blue Cross Blue Shield
- 2) Under the age of 26

-
- We do not offer coverage.

-
- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

SPECIAL ENROLLMENT NOTICE

This notice is being provided to make certain that you understand your right to apply for group health coverage. You should read this notice even if you plan to waive health coverage at this time.

Loss of Other Coverage

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Example: You waived coverage under this Plan because you were covered under a plan offered by your spouse's employer. Your spouse terminates employment. If you notify your employer within 30 days of the date coverage ends, you and your eligible dependents may apply for coverage under this group health plan.

Marriage, Birth or Adoption

If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption.

Example: When you were hired, you were single and chose not to elect health insurance benefits. One year later, you marry. You and your eligible dependents are entitled to enroll in this group health plan. However, you must apply within 30 days from the date of your marriage.

Medicaid or CHIP

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

Example: When you were hired, your children received health coverage under CHIP and you did not enroll them in this health plan. Because of changes in your income, your children are no longer eligible for CHIP coverage. You may enroll them in this group health plan if you apply within 60 days of the date of their loss of CHIP coverage.

**DIOCESE OF ALTOONA-JOHNSTOWN
GROUP HEALTH PLAN
NOTICE OF PRIVACY PRACTICES**

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice describes how the Diocese of Altoona-Johnstown Group Health Plan (the “Plan,” “we,” “us,” or “our”), sponsored by the Diocese of Altoona-Johnstown (the “Plan Sponsor”), may use and disclose Protected Health Information, as defined below, to carry out payment and health care operations, and for other purposes that are permitted or required by law.

We are required by the privacy regulations issued under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) to maintain the privacy of Protected Health Information and to provide individuals covered under the Plan with notice of our legal duties and privacy practices concerning Protected Health Information. We are required to abide by the terms of this Notice so long as it remains in effect. We reserve the right to change the terms of this Notice of Privacy Practices as necessary and to make the new Notice effective for all Protected Health Information maintained by us. If we make material changes to our privacy practices, copies of revised notices will be provided to all participants in the Plan. Copies of our current Notice may be obtained by contacting our benefit specialists at the telephone number or address below, or on our enrollment system website at <https://www.benefitsbookcase.com>.

Protected Health Information (“PHI”) means individually identifiable health information, as defined by HIPAA, that is created or received by the Plan and that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or for which there is a reasonable basis to believe the information can be used to identify the individual. PHI includes information of persons living or deceased.

USES AND DISCLOSURES OF YOUR PROTECTED HEALTH INFORMATION

The following categories describe different ways that we use and disclose PHI. For each category of uses and disclosures we will explain what we mean and, where appropriate, provide examples for illustrative purposes. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted or required to use and disclose PHI will fall within one of the categories.

Your Authorization – We will not use or disclose your PHI for marketing purposes or sell your PHI unless you have signed a written authorization. Additionally, any other uses or disclosures not described in this Notice will be made only after you have signed a form authorizing the use or disclosure. You have the right to revoke that authorization in writing except to the extent that (1) we have taken action in reliance upon the authorization or (2) the authorization was obtained as a condition of obtaining coverage under the Plan and we have the right, under other law, to contest a claim under the coverage or the coverage itself.

Uses and Disclosures for Payment – We may make requests, uses, and disclosures of your PHI as necessary for payment purposes. For example, we may use information regarding your medical procedures and treatment to process and pay claims. We may also disclose your PHI for the payment of a health care provider or a health plan.

Uses and Disclosures for Health Care Operations – We may use and disclose your PHI as necessary for our health care operations. Examples of health care operations include activities relating to the creation, renewal, or replacement of your Plan coverage, reinsurance, compliance, auditing, rating, business management, quality improvement and assurance, and other functions related to the Plan.

Treatment – Although the law allows use and disclosure of your PHI for purposes of treatment, as a group health plan, we generally do not need to disclose your information for treatment purposes. Your physician or health care provider is required to provide you with an explanation of how they use and share your PHI for purposes of treatment, payment and health care operations.

Family and Friends Involved in Your Care – If you are available and do not object, we may disclose your PHI to your family, friends, and others who are involved in your care or payment of a claim. If you are unavailable or incapacitated and we determine that a limited disclosure is in your best interest, we may share limited PHI with such individuals. For example, we may use our professional judgment to disclose PHI to your spouse concerning the processing of a claim.

Business Associates – At times we use outside persons or organizations to help us provide you with the benefits under the Plan. Examples of these outside persons and organizations might include vendors that help us process your claims. At times it may be necessary for us to provide certain of your PHI to one or more of these outside persons or organizations. Business Associates are also required by law to protect PHI.

Plan Sponsor – We may disclose PHI to certain employees of the Plan Sponsor for the purpose of administering the Plan. These employees will use or disclose the PHI only as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized additional disclosures. Your PHI cannot be used for employment purposes without your specific authorization.

Other Products and Services – We may contact you to provide information about other health-related products and services that may be of interest to you. For example, we may use and disclose your PHI for the purpose of communicating to you about other health insurance products that could enhance or substitute for existing Plan coverage, and about health-related products and services that may add value to your Plan coverage.

Other Uses and Disclosures – We may make certain other uses and disclosures of your PHI without your authorization.

- We may use or disclose your PHI for any purpose required by law. For example, we may be required by law to use or disclose your PHI to respond to a court order.
- We may disclose your PHI for public health activities, such as reporting of disease, injury, birth and death, and for public health investigations

- We may disclose your PHI to the proper authorities if we suspect child abuse or neglect; we may also disclose your PHI if we believe you to be a victim of abuse, neglect, or domestic violence.
- We may disclose your PHI if authorized by law to a government oversight agency (e.g., a state insurance department) conducting audits, investigations, or civil or criminal proceedings.
- We may disclose your PHI in the course of a judicial or administrative proceeding (e.g., to respond to a subpoena or discovery request).
- We may disclose your PHI to the proper authorities for law enforcement purposes.
- We may disclose your PHI to coroners, medical examiners, and/or funeral directors consistent with law.
- We may use or disclose your PHI for cadaveric organ, eye or tissue donation.
- We may use or disclose your PHI for research purposes, but only as permitted by law.
- We may use or disclose PHI to avert a serious threat to health or safety.
- We may use or disclose your PHI if you are a member of the military as required by armed forces services, and we may also disclose your PHI for other specialized government functions such as national security or intelligence activities.
- We may disclose your PHI to workers' compensation agencies for your workers' compensation benefit determination.
- We will, if required by law, release your PHI to the Secretary of the Department of Health and Human Services for enforcement of HIPAA.

In the event applicable law, other than HIPAA, prohibits or materially limits our uses and disclosures of PHI, as described above, we will restrict our uses or disclosure of your PHI in accordance with the more stringent standard.

RIGHTS THAT YOU HAVE

Access to Your PHI – You have the right of access to copy and/or inspect your PHI that we maintain in designated record sets. You have the right to request that we send a copy of your PHI that we maintain in designated record sets to another person. Certain requests for access to your PHI must be in writing, must state that you want access to your PHI or that you want your PHI sent to another person (who must be named in the request), and must be signed by you or your representative (e.g., requests for medical records provided to us directly from your health care provider). We may charge you a fee for copying and postage.

Amendments to Your PHI – You have the right to request that PHI that we maintain about you be amended or corrected. We are not obligated to make all requested amendments but will give each request careful consideration. To be considered, your amendment request must be in writing, must be signed by you or your representative, and must state the reasons for the amendment/correction request.

Accounting for Disclosures of Your PHI – You have the right to receive an accounting of certain disclosures made by us of your PHI. Examples of disclosures that we are required to account for include those to state insurance departments, pursuant to valid legal process, or for law enforcement purposes. To be considered, your accounting requests must be in writing and signed by you or

your representative. The first accounting in any 12-month period is free; however, we may charge you a fee for each subsequent accounting you request within the same 12-month period.

Restrictions on Use and Disclosure of Your PHI – You have the right to request restrictions on certain of our uses and disclosures of your PHI for insurance payment or health care operations, disclosures made to persons involved in your care, and disclosures for disaster relief purposes. For example, you may request that we not disclose your PHI to your spouse. Your request must describe in detail the restriction you are requesting. We will consider your request, but in most cases are not legally obligated to agree to those restrictions. However, we will comply with any restriction request if the disclosure is to a health plan for purposes of payment or health care operations and the PHI pertains solely to a health care item or service that you have paid for out-of-pocket and in full. We retain the right to terminate an agreed-to restriction if we believe such termination is appropriate. In the event of a termination by us, we will notify you of such termination. You also have the right to terminate, in writing or orally, any agreed-to restriction. You may make a request for a restriction (or termination of an existing restriction) by contacting us at the telephone number or address below.

Request for Confidential Communications – You have the right to request that communications regarding your PHI be made by alternative means or at alternative locations. For example, you may request that messages not be left on voice mail or sent to a particular address. We are required to accommodate reasonable requests if you inform us that disclosure of all or part of your information could place you in danger. Requests for confidential communications must be in writing, signed by you or your representative, and sent to us at the address below.

Right to be Notified of a Breach – You have the right to be notified in the event that we (or one of our Business Associates) discover a breach of your unsecured PHI. Notice of any such breach will be made in accordance with federal requirements.

Right to a Copy of the Notice – If you have agreed to accept this Notice electronically, you have the right to a paper copy of this Notice upon request by contacting us at the telephone number or address below.

Complaints – If you believe your privacy rights have been violated, you can file a complaint with us in writing at the address below. You may also file a complaint in writing with the Secretary of the U.S. Department of Health and Human Services in Washington, D.C., within 180 days of a violation of your rights. There will be no retaliation for filing a complaint.

Important Notice from the Diocese of Altoona-Johnstown About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Diocese of Altoona-Johnstown and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Diocese of Altoona-Johnstown has determined that the prescription drug coverage offered by the Highmark Blue Cross Blue Shield is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Diocese of Altoona-Johnstown coverage may be affected.

If you do decide to join a Medicare drug plan and drop your current Diocese of Altoona-Johnstown coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the Diocese of Altoona-Johnstown and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the Diocese of Altoona-Johnstown changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility –

Women's Health and Cancer Rights Act of 1998 (WHCRA)

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema?

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the WHCRA. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. For specific information on plan deductibles and coinsurance, please refer to the benefit summaries that are provided to you along with this notice.

If you would like more information on WHCRA benefits, contact Lynette McEvoy, Director of Human Resources, at 1-814-695-5579 x 2613.
